

MORNING APPEAL.

SUNDAY, APRIL 6

We hear much of Russian cruelty, but none of us realize how near savagery is that land. Only 12 per cent of the people can read, and amid 100,000,000 population, there are but 38,000 primary schools. That is not in much greater proportion than among the Indian tribes of the United States. Naturally, in such a land, only the brutal methods prevail. The knout, the chain, the prison van and whip and the scaffold are the means restored to when order is disturbed by some struggling soul singing an air of liberty. The throne can not be lifted up in such a land until the people are, and the process is fearfully cruel and slow. Yet, naturally, the native Russian is kindhearted, simple-minded and gentle. Within the race are elements out of which will culminate a glorified nation, but the movement onward is as slow and cold as that of the glacier.—Salt Lake Tribune.

It is now stated on the highest authority that Victoria, Queen of England and Empress of India, will soon abdicate the British throne in favor of her son, the Prince of Wales, who will be crowned King of England and Emperor of India. Queen Victoria desires, in that event, to assume the title of Queen Regent, as she is opposed to being called the ex-Queen.

THE CARSON MINT.—The Assay Commissioners appointed by and in accordance with the provisions of Section 3,547 of the Revised Statutes, have finished their investigations, and the report shows that the Carson Mint went way ahead of the San Francisco and Philadelphia Mints for purity and accuracy of workmanship. The Enterprise says: Charles Colburn took charge of the coinage department of the Mint without any previous experience, but he went in with a determination to win. With this object in view he worked hard and hand with his men, and he now has the proud distinction of having beaten them all.

THE SIERRA TUNNEL.—Relative to Senator Stewart's proposal to pierce the Sierra Nevada mountains along the line of the Central Pacific railroad by tunnel, Colonel Crocker, of the Southern Pacific, stated the other day that the question had not come before the Directors of the company, that, although it would be of immense benefit to this railroad the cost was altogether too great to attempt it without first seeing the action Congress would take on the matter. In the meantime the snowsheds would remain, repairs being made where needed.

RAILROAD LAND TAX SUIT.—General Irish has returned from Austin, where he was summoned as a witness in the case of Lander County vs. the Central Pacific Company for the taxes on their unsurveyed lands in Lander county. A motion to transfer the case to the United States Court was denied and the case continued until the 16th inst.—Gazette.

Esmeralda county has commenced suit in the District Court of Ormsby against the State of Nevada for \$592 40, the balance claimed to be due Esmeralda for expenses of special election on February 11, 1889. This is the sum disallowed by the Board of Examiners.

Johnson Sides informs the Gazette that things on the Pyramid Reservation are progressing finely; that the Indians are hard at work plowing and sowing grain and look for an abundant harvest.

The Carson Appeal says this is a hard world to live in. Well, perhaps it is, but then we have noticed that most people like it so well that they don't leave it until they are dead.—Reveille.

March came in like John L. Sullivan on a roaring spree, and has sneaked out like a yawling tom-cat.—Homer Index.

OURS is the largest and most complete general outfitting establishment on the Coast. The key to its success is that it furnishes what the people—and all the people—want. It ministers to every demand. There are coarse, stout goods for rough usage, plain, serviceable goods for everyday wear, and fashionable and costly goods from Vienna, Paris, London and New York. Prices are always as low, and, in most cases, lower than those of all other dealers.

These facts are cited for the benefit of out-of-town persons who wish to deal through the mails. We believe that we have stated nothing that is not accepted by those who know us.
